

Occupation	Salary	Education Required	Work Setting
Data Scientist	\$108,020 per year	Bachelor's degree	Office
Software Developer	\$130,160 per year	Bachelor's degree	Office
Musicians and Singers	\$39.14 per hour	No formal educational credentials	Concert halls, churches, clubs
High School Teachers	\$65,220 per year	Bachelor's degree	Schools
Special Effects Artists and Animators	\$99,060 per year	Bachelor's degree	Office/Home
Computer Programmers	\$99,700 per year	Bachelor's degree	Office
Architect	\$93,310 per year	Bachelor's degree	Office/Construction sites

3. It surprised me how none of the tech occupations such as software developers mentioned that they could work from home.

4. \*Best = 7, Worst = 1

- Software Developer - 7 [good \$\$\$]
- Data Scientist - 6 [growing occupation]
- Special Effects Artists and Animators - 5 [good work life balance]
- Architect - 4 [cool job]
- Computer Programmers - 3 [declining employment, boring job]
- Musicians and Singers - 2 [part-time usually]
- High School Teachers - 1 [tiring job]
